

TRIAL ACCESS

You're invited to try Kanam Academy

Create your profile with the self-paced code below, try the short **interactive demo**, then start the **Financial Literacy** track.

Hi Learner,

Thanks for trying **Kanam Academy**. Follow the steps below — it only takes a few minutes to get set up.

APP LINK

<https://learn.kanamacademy.com/welcome>

Use Chrome or Safari. Desktop or laptop works best.

SELF-PACED CODE

KANAM-ASYNC

Copy/paste exactly. All lessons stay open for self-paced learning.

[Open Kanam Academy →](#)

CREATE YOUR PROFILE

1. Open the app link above.
2. Under **I'm a new student**, enter your email.
3. In **Class code**, paste **KANAM-ASYNC** (or tap *Get a self-paced code*).
4. Tap **Continue**, then complete your profile (name, grade, password).
5. Finish until you reach the dashboard (your learning hub).

FIRST: TRY THE DEMO

Before you dive into a full track, take the short **interactive demo**. It walks you through a real lesson screen so you know how learning works in Kanam Academy.

1. Open this link: <https://learn.kanamacademy.com/demo>
2. Follow the guided tour (gold highlights show you where to click).
3. Try a few practice steps, then return here and continue with Financial Literacy below.

Start the demo →

THEN: START FINANCIAL LITERACY

On the dashboard:

1. In **Training tracks**, select **Financial Literacy**.
2. In the green **Current focus** panel, tap **Next step** to open Lesson 1.
3. Read the lesson, then complete the knowledge check, practice activities, and short reflection.
4. Return to the dashboard and continue to the next Financial Literacy lesson.

Tip: You'll earn XP and badges as you finish lessons. Progress saves to your account — sign back in anytime with the same email and password.

NEED HELP?

Make sure the code is exactly **KANAM-ASYNC** (no spaces). If something looks off, try a private/incognito window. Use **Forgot password?** on the welcome page if you need a reset. Or just reply to this email.

Looking forward to hearing what you think after the demo and a couple of Financial Literacy lessons.

Best,

Tory Thompson
